**Dan Brody Photography's 9th Annual
Charitable Event & Gift Portrait Program**

April 1–May 31, 2007

Helping Laurel House provide safe haven to families in need.

DONOR INFORMATION SHEET

Thank you for participating! In order to make your experience in the program as smooth as possible, please observe the following guidelines.

-
1. Your donation to Laurel House entitles you to a Dan Brody portrait session and gift eight by eight portrait (package valued at \$700). You are of course welcome to purchase additional portraits beyond the 8 x 8; please ask Dan or Marcy for details.
 2. **Donations must be received by Dan Brody Photography before your portrait session can be scheduled.** To speed the process, we recommend using a major credit card. We also accept checks, and will be happy to schedule your portrait session as soon as your check arrives in our office.
 3. Because Saturdays are our busiest time, a **\$100 deposit (beyond the amount of your donation) is required to hold any Saturday portrait session booking.** This deposit will be refunded at the portrait session or can be applied to additional purchases.
 4. To qualify for the donor program, you must complete your portrait session by May 31, 2007—unless other arrangements have been made with Dan or Marcy in advance.
 5. Refunds will be granted only when notice of cancellation is received by us at least two weeks prior to the scheduled portrait session and only until May 31, 2007. After May 31, 2007, all donations are considered final and non-refundable.
